Bruce's Counting Song

To the tune of "Row, Row, Row Your Boat"

Row, row, row your boat,
count along with me:
one and a two and a three and a four and a five is what I see!

Row, row, row your boat,
paddle round the bend:
six and a seven and eight and a nine and a ten, and that's the end!

Hold up one finger for each number. Sing it slowly the first time, then a little faster.
